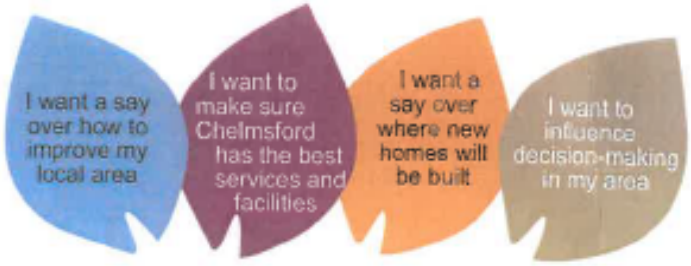
Review of Chelmsford Local Plan – Get Involved Now!

The Council is starting a review of its adopted Local Plan. We would like your views on the key issues facing Chelmsford and options for planning the City's future – including the amount and potential locations for new development of homes, jobs and infrastructure.

Chelmsford's Local Plan was adopted in 2020 and guides growth and development across Chelmsford City Council's area to 2036. We are reviewing it to identify land for further housing, schools, shops and jobs as well as areas for protection, such as open space and sites important for wildlife, up until 2041.



Have Your Say!

The Issues and Options Consultation runs from 10am on Thursday 11 August 2022 until 4pm on Thursday 6 October 2022.

Read and comment on the documents at **www.chelmsford.gov.uk/planningpolicyconsult.**

They will also be available to read during normal opening hours at the Council's Customer Service Centre in Chelmsford.

There is an online exhibition available during the consultation period – this can be found at **www.chelmsford.gov.uk/lp-exhibition.**

We will also be holding in-person exhibitions at the Civic Centre. These exhibitions will provide an opportunity for you to find out more and discuss the consultation with a Planning Officer.

Visit an exhibition:

Thursday 8th September 2022	Civic Centre	6pm - 9pm
Friday 9th September 2022	Civic Centre	10am - 1pm

Welcome to your local family hub, where you can access **free**, friendly and high-quality health services in your community, school, online or family home. We offer a variety of sessions to support your child's development and build strong parent-child relationships.

Family Hubs ensure that children, young people and families (0-19 years or up to 25 years if SEND) can access integrated early support.
We provide a one-stop shop of family support services for your mental and physical health plus your educational and social care needs. Our partner agencies include midwifes, GP's, CAMHS and local community groups.

The focus of our service is making sure that everyone in Essex has the best possible start in life through meeting the identified needs of children, young people and families.

Sept 2022

Dear Parent/Carer

BOSWELLS PRIMARY PE ACADEMY

After the successful relaunch of our primary provision last September, we are delighted to invite you to the next instalment of the Boswells Primary PE Academy. Last year was a huge success with three blocks of activity in a range of different sports taking place throughout the year, with numbers regularly in excess of 40 per session and lots of students learning and having fun. By signing up and taking part in the Academy, we hope that your child will be able to make new friendships, build relationships with staff, familiarise themselves with the school and the PE department, and get to develop their sporting potential in a fantastic sports facility within the local community.

Across the year, students will complete blocks of work in a range of sports that will include volleyball, basketball, badminton and tennis, cricket and athletics. The sport for the first term of activity, up to October half term, will be volleyball; we have a proud history of national success in volleyball, and look forward to getting young people in the community involved in playing volleyball as well. After half term in the run up to Christmas, the next block of activity will be basketball; again, a sport we have a proud tradition of here in school, with boys' and girls' teams at all age groups.

The sessions are going to be held every Wednesday during term time, from Wednesday 21st September up to and including Wednesday 15th December; this is thirteen sessions in total (exact dates can be found at the bottom of this letter). General details for the Primary PE Academy club can be found below:

- All sessions will begin with registration at the Sports Hall
- Sessions will run from 4.00pm until 5.00pm with a member of the Boswells School PE staff
- Students can wear any kit appropriate and suitable for physical activity
- Most importantly, all abilities are welcome

The cost for the term will be £35; we hope you would agree represents fantastic value for money.

To secure a place for your child, please complete the online Microsoft Forms registration document by clicking on the link below and completing the necessary details.

https://forms.office.com/r/GgjZy2CaW0

Due to the nature of the activities being offered and the facility being used, numbers are capped at 40 and will be allocated on a first-come, first served basis. **The deadline for submitting your form is *Friday 16th September 2022***; after this date, if we have not heard from you we will assume that you do not wish for your child to attend, and confirmation emails will be sent to all those that have applied for places informing them of whether or not they have secured a place and how to make payment.
