September 2020

Dear Parents/Carers

Key Stage 1 - Club List and Letters

Please find attached details of clubs that will be running this term. Most clubs will start week commencing **Monday 14th September 2020** (unless otherwise advised) and finish on week ending **Friday 11th December 2020** (unless otherwise advised).

Due to current restrictions, we are limiting the number of school led clubs this term. All clubs will be running for specific year groups only. We do not wish to prohibit children from being able to partake and therefore, if meeting the cost of a club (including clubs run by outside providers) is likely to create difficulties for you then please do not hesitate to see Mrs Forte in the school office and, if applicable, bring your completed permission slip with you.

Most clubs have a maximum number of children that they can accommodate and therefore, places will be allocated on a first come, first serve basis, but we will try to ensure that every child who wishes is able to take part in at least one club.

Clubs led by outside providers have their own fees and details of these, along with how to make payments, will be enclosed on separate pages within this booklet. Please be aware that some clubs led by outside providers have different start and end dates (Please see above if you have difficulties in meeting payments).

Almost all the children behave well during club time, and it is important that club time is not disrupted. If children misbehave they are likely to be told to miss the club the following week and we will notify you. There will not be a refund.

If you wish to book your child/ren into a club, please pay and give consent online via Scopay or according to the provider's instructions.

Yours sincerely

G. Waters
