## Relationships Education

In the early years and up to Year 4, this education is simply about friendship, relationships and growing up. In Years 5 and 6, the education is more detailed and you will have the opportunity to view the materials we use.

As parents you have a right to withdraw your child from the sexual aspects of RSE (taught in Years 5 & 6). The content of this and our approach are set out clearly on our website. We teach it sensitively and within a religious and moral framework. We would be grateful if you would give us permission to undertake RSE education with your child in Years 5 & 6.

I am happy for my child to take part in the Relationships Education (Foundation Stage to Year 6) and the sex aspects of RSE taught in Years 5 & 6 at the school.

## Photographs/Videos

There are also many occasions when we use our digital cameras to record the work that the children are doing and we will want to celebrate this in the weekly newsletter and on the school's website.

Also, from time to time the local press/media come into school to take photographs of the children.

Please tick **each statement** as appropriate:

An important part of the Early Years Curriculum is capturing what learning and exploring your child is doing in school. The Learning Journal supports and records your child's progress and "WOW" moments.
