

February 2023

Christmas seems like a long time ago....We hope you all had a lovely time with family and friends.

PTA

Recently, we have taken the children to a PTA fayre and discos, which has not been done previously. We feel it worked well, and will continue to do this for future PTA events. Please make sure you let us know if your children will, or will not attend in order to help us ensure the smooth planning of these events or unfortunately, we will not be able to take them.

New ideas for Little Fingers

We have been talking to children about different ideas that they would like to try in Little Fingers (we are also open to new ideas!). The children have come up with some amazing ones: bingo nights, quiz nights, movie nights, making kite's, board game nights, and themed evenings and even water fights in the summer! I love these ideas and we have some of our own too. We are hoping to organise a King's Coronation celebration, Easter celebrations and some team games in the summer. We will be adapting menus for special nights/weeks, so please keep us up to date with any allergies or dietary requirements. Most of our events will be on different evenings, so all children will be able to take part. These occasions will not require you to do anything (maybe some spare clothes on water fight days – I will give you warnings and send a note out nearer the time).

Homework and Reading

We do encourage children to read and complete homework within the club to take some of the pressure off at home. Please encourage your children to complete their homework with the 'free' help available.

Clearly label any property, as we have a lot left unnamed after sessions. We do remind children after school do they have everything, unfortunately we are unable to go back to class after 4pm due to rooms being cleaned and locked.

If you have any problems please contact Mrs Coote (Supervisor) or Mrs Day (Administrator) on the Little Fingers email address.
