29th January 2025

Dear Parents/Carers,

DT - Cookery

In design and technology this term our focus is on cookery with the aim to develop the children's skills in understanding seasonality of foods, food miles and cooking a savoury dish. Our savoury dish is a cheese based scone which will have other ingredients added to it linked with our Ancient Greek topic in History.

If you are aware of any **food allergies** or **intolerances** that your child has, then please can you inform us or email into the School.

Geography

On **Friday 14th March (6A)** and **Wednesday 19th March (6FG)**, Year 6 will be having an hour long online workshop hosted by the Natural History Museum called 'Volcanoes and Earthquakes'. The session will cover the exciting world of volcanoes and earthquakes and their effects on society.

To support both of these activities we ask for a contribution of £5. Please give consent online via Scopay.com by **Monday 3rd February 2025**, and make payment by **Thursday 13th February 2025**. If meeting the cost of this will be difficult for you, then please contact the school office in confidence, thank you.

Yours sincerely,

Ms Austin, Mr Fisher and Mrs Gayther
Year 6 Class Teachers
