13th April 2026

Dear Parents/Carers,

To support our Design and Technology and science learning about gears and pulley systems, we are delighted to welcome in a Lego expert to run a day's Lego workshop to be held in our classrooms during the school day. The day will allow the children a wonderful opportunity for exciting, hands-on learning and will develop their concentration and engineering skills.

The gears and pulley workshop day will take place on **Wednesday 20th May 2026**.

Children should wear school uniform as normal, and can have normal lunches, as the workshop will be running in school within the school day.

We would ask for a contribution of £9 per child towards the cost of the workshop. Please make payment online via Scopay.com by **Wednesday 13th May 2026**, thank you. If making this payment will be difficult for you, then please speak to the school office in confidence.

Yours sincerely,

Mrs Bowen-Long and Mr Evans
Year 5 Class Teachers
