15th October 2026

Dear Parents/Carers,

To support our sustainability topic this next half term, we are delighted to welcome in a Lego expert to run a day's Lego workshop to be held in our classrooms during the school day. The day is designed around our topic and will require great teamwork, concentration, and engineering skills.

For **Birch**, this day will take place on **Tuesday 17th November 2026**

For **Beech**, this day will take place on **Wednesday 18th November 2026**

Children should wear school uniform as normal, and can have normal lunches, as the workshops will be running in school within the school day.

If there are any parents up for the challenge of Lego building on either one or both days, then please email us, and we hope to be able to invite some of you in to help.

We would ask for a contribution of £8 per child towards the cost of the workshop. Please make payment online via Scopay.com by **Friday 13th November**, thank you. If making this payment is difficult for you, please contact the school office in confidence.

Yours sincerely,

Spencer *Ball*

Mrs Spencer & Mr Ball
Year 4 Class Teachers
